

2019 Summer Reading List- Entering 9th

The purpose of the Eagle's View Academy summer reading program is to encourage students to read and appreciate classic and contemporary literary works. Please note that the requirements for titles and number of books vary from grade to grade and class to class. All the books are available in limited quantities from the Jacksonville Public Library and local bookstores. Online retailers offer the cheapest availability, but the order should be placed soon to allow time for students to read.

Evaluation of book that the entire class is reading will be done by Friday, August 16th. Parents, please encourage your students to read each day rather than waiting till the end of the summer. Evaluation will be on the book – not the film! Please note that any student who registers after August 2nd will have a different date of evaluation.

All students going into 9th grade must read one of the following and right a one sentence summary of each chapter as they read:

Murder on the Orient Express by Agatha Christie
The Time Machine by H.G. Wells
The Hunger Games by Suzanne Collins

All students going into Honors English I are required to read an additional one of the three books (2 total).
