My student will be attending the following senior trip(s):

_____ Ski trip, January 2 – 5, 2019 Cost $625.00

_____ Disney Trip, April 7 – 11, 2019 Cost: $675.00

There is a $100.00 deposit fee per trip due by August 2, 2018. The ski trip must be paid in full by December 12, 2018 and the Disney trip by February 14, 2019.

I understand that once I pay the deposit I will be required to pay for the trip in full, even if my student does not attend the trip. I further understand that no money will be refunded for any reason. Your student is responsible for making up any missed assignments.

Dual enrollment students need to speak to their professors prior to the start of the semester to verify that the absences will not affect their grade. They also need to check their syllabus for each class, at the beginning of the semester, to see if there are any projects or presentations due at that time in order to make other arrangements.

Both parent and student signatures are required.
