

2020 Summer Reading List- Entering 10th

The purpose of the Eagle's View Academy summer reading program is to encourage students to read and appreciate classic and contemporary literary works. Please note that the requirements for titles and number of books vary from grade to grade and class to class. All the books are available in limited quantities from the Jacksonville Public Library and local bookstores. Online retailers offer the cheapest availability, but the order should be placed soon to allow time for students to read.

Evaluation of book will be done on Friday, August 14th. Parents, please encourage your students to read each day rather than waiting till the end of the summer. Evaluation will be on the book – not the film! Please note that any student who registers after July 31st will have a different date of evaluation.

All students going into 10th grade must read *Gifted Hands: The Ben Carson Story* by Ben Carson.
